My wedding photography packages:

For my current prices - [Get in touch](#)

1: Bronze: (≤ 5hrs coverage at a single location)

- A personal consultation to assess the needs for your day
- Coverage of the wedding ceremony, from the entrance of the bride, through to the giving of rings, first kiss and signing of the register, as well as exit of the bride and groom.
- A couple shoot, which allows you to have some quality time with each other, whilst the photographer captures you in a relaxed setting and enchanting atmosphere.
- Group photos at the wedding venue.
- An online gallery for you to view and share with friends the images from your day.
- The Bronze package provides you with a USB stick containing between 75 and 100 edited, high-resolution images of your day, beautifully presented in a presentation case, for your personal use.

2: Silver: (≤10hrs coverage at two locations)

- As with the Bronze package, plus...
- Wedding/reception venue visit to walk through your day and look for your preferred photo locations.
- Bridal preparation photos, covering make-up, hair styling and wedding dress detail shots
- Group photos at either the wedding or reception venue.
- Coverage of the reception through to cake cutting and first dance
- After the wedding the best photographs from your day will be uploaded to a private viewing gallery where you will be able to select your favourites, those will then be edited where necessary, to display the true beauty of your day.
- The Silver package provides you with a USB stick containing between 125 and 175 edited, high-resolution images of your day, beautifully presented in a presentation case, for your personal use.

3: Gold: (≤15hrs coverage at multiple venues)

- As with the Silver package, plus...
- An engagement photo shoot (described below)
- A second professional photographer, providing you with a whole range of extra photos. From photos of your guests arriving before the ceremony and ushers preparing with the groom before the arrival of the bride, to multiple angle coverage of your wedding ceremony. The second photographer also takes part in the couple shoot, allowing for a more creative result. The second photographer also gives us many more opportunities to capture those little magical moments that make your day special.
- The Gold package provides you with a USB stick containing between 200 and 250 edited, high-resolution images of your day, beautifully presented in a presentation case, for your personal use.
- The Gold package also provides you with discounts on many of the extras below.

4: Platinum:

- As with the Gold package, plus...
- A wedding album similar to my preview album, with a maximum of 40 pages, including up to two (2x) design and layout changes after the first preview. (Upgrades including leather binding, extra pages and more are available at cost)
